### **Alisal Dress Code-**

Since the opening of the Alisal Guest Ranch in 1946, it has been custom to "dress up" for dinner on the Ranch. This tradition has meant that gentlemen 16 years and older wear a sport coat to dinner and ladies dress accordingly. In the past, jeans were not permitted in the dining room.

Over the years, there has been an increase in the number of guests who have requested that we permit the wearing of jeans in the dining room during the dinner hour. While traditions run deep at the Alisal, we do want our guests to know that they are being heard. We want you to be comfortable and happy while visiting us so we feel that making this small change to dinnertime attire would be appropriate and timely. We still encourage you to dress nicely for dinner, however, if you choose to wear jeans, we ask that your jeans be dressy - not frayed and without holes.

We want you to know that we value you and want dinner-time at the Alisal to remain the special occasion it has always been. Our tradition of gentlemen 16 years of age and older wearing sport coats to dinner will remain the same as it has for 70 years.
